

Design Project 1, Individual Contributions:

Design Group:

Role: Subject Matter Expert

Primary Contributions:

Research:

- Contributed to the initial idea for the secondary adhesive concept
- Logged all sources used and organized them into a comprehensive list of citations formatted in IEEE

Prototype:

- Made the prototype for the secondary sticker
- Recorded video advertisement detailing the application and user interaction of the product
- Played a significant role in the media development aspect of a 1-page slide deck that was used to communicate our idea
